Course Description

An in-depth supervised ministry experience focused on the leadership of the Holy Spirit and the development of competencies in personal ministry, with concentrations on ministerial functions and personal conferences.

Prerequisites

Satisfactorily complete five Ordained Level courses, all of the Certified and License level courses.

Purpose

The Advanced Practicum is intended to introduce the student to real-life ministry and an opportunity to integrate classroom learning with ministry. It is a field ministry experience allowing the student to develop overall competency through supervised practical ministry.

Course Objectives

1. The student will be able to apply information and skills learned in the classroom.
2. The student will be able to perform ministry in a setting where practical ministry is guided and evaluated.
3. The opportunity for encouragement, additional instruction, and to share experiences with peers.
4. The student will develop confidence.
5. The student will better understand the profound mission of the church and recognize the demands and skills necessary to succeed in ministry.
6. Relationship development.

Ministry Functions to be covered

1. The ministry of administration
2. The ministry of preaching
3. The ministry of pastoral care
4. The ministry of evangelism
5. The ministry of teaching
6. The personal development of the minister

Instructional Procedures

1. The primary method is on-the-job training from the pastor/mentor.
2. The Practicum Coordinator will be available for contact from the Pastor/mentor or student.
3. One classroom meeting will allow students to share experiences and gain knowledge.
4. Three book critiques will supplement the student's experience.
5. Written assignments will assist the student in evaluating and understanding his/her ministry experience.
